SLATTEX
3 DIMENSIONAL TEXTURED SLATWALL

No one likes slatwall-unless it is done right

You shouldn't have to focus on the slats.

So don't.

We take great pride in providing you with the most natural looking wall systems that provide you the functionality you need.

We accomplish this with:

Exclusive Functional 3D Textured Styles and Finishes
Minimizing vertical seams with 2' x 8' Panels
Spacing each groove 6" apart on center
Painting each insert to match

Our slatwall is done right.

Each Textured Slatwall Panel:

- Measures - 2' height x 8' length
- Measures - 3/4" in thickness
- Includes aluminum inserts for extra strength
- Grooves/slats are 6" apart (on center)
- Weighs approximately 45 pounds

Edge and corner trims are not included - optional

WALTEX
3 DIMENSIONAL TEXTURED WALL PANELS

Sometimes walls just need to look beautiful

Plain walls don't attract anyone.

So don't.

Your idea has become a reality. Your reality has become a brand to be reckoned with. Wrap that brand in real walls.

We accomplish this with:

Exclusive Decorative 3D Textured Styles and Finishes
(All Slattex styles are available in Waltex)
Available in easy to handle 2' x 8' panels
Available in 1/2" and 3/4" thicknesses

Our decorative panels (no slats) are beautiful.

Each Textured Decorative Panel:

- Measures - 2' height x 8' length
- Can be 3/4" thick to coordinate with slatwall
- Can be 1/2" thick to use without slatwall
- Some styles can be "fingerjointed"
- Weighs approximately 45 pounds

Edge and corner trims are not included - optional

VERTEX

3 DIMENSIONAL TEXTURED WALL PANELS

Who says you can't have it all?

Functionality is not always just horizontal.

So don't.

Your walls can become prime real estate by maximizing your versatility - merchandising them horizontally or vertically.

We accomplish this with:

Exclusive 3D Textured Wall Panels (Slattex or Waltex)
Combining Slattex and/or Waltex styles with vertical standards
Panel orientation that can be vertical or horizontal
Unlimited options for you to create your walls - your way

Our panel configurations give you complete versatility.

Between your vertical standards, you choose:

- WalTex Decorative Panels
  (Vertical or Horizontal Orientation)
- SlatTex Textured Slatwall Panels
  (Horizontal Orientation)

FIXTURTEX

3 DIMENSIONAL TEXTURED FLOOR FIXTURES

You don't wear clothes that don't match

Most floor fixtures don't play well with walls either.

So don't.

You are doing more than merchandising. You are creating a customer experience, so coordinate the experience.

We accomplish this with:

Incorporating Exclusive 3D Textured Styles into Floor Fixtures
Accessories that compliment the ambiance
Utilizing Real Pipe - Not plastic replicas
Custom sizes that work in your space

Our fixtures and wall panels combine to enhance your brand.
